

OUTSTANDING CARE – NO EXCEPTIONS!

Our client, Windsor Regional Hospital (WRH), is a multi-faceted health services organization operating from two main sites, the Metropolitan Campus and the Ouellette Campus. With 648 beds and an operating budget of \$750 million dollars, WRH is the regional provider of advanced care in areas that include complex trauma, renal dialysis, cardiac care, stroke and neurosurgery, intensive care, acute mental health, family birthing centre, neonatal intensive care, paediatric services, and regional cancer services. WRH provides a broad range of medical and surgical services required to support these specialized areas for more than 400,000 people in Windsor and Essex County.

Their service oriented Emergency Medicine Team provides high quality care to a diverse mixture of clinical cases at 2 hospital campuses providing care for over 107,000 ED patient visits per year. WRH is seeking full-time or part-time Emergency Medicine Physicians to contribute to the top tier care provided in the Department of Emergency Medicine.

## Emergency Medicine Physicians

Successful candidates will be CCFP-EM, or ABEM, or FRCPC certified, or CCFP certified with Emergency Medicine experience, and must be eligible for licensure with the College of Physicians and Surgeons of Ontario. CPSO pathway licensure is easily available for US Board Certified Physicians with new regulations implemented in 2023 that have created a straight forward licensure process without the requirement for supervision.

Offering schedule parity with great flexibility to achieve a work/life balance, these positions offer a very attractive alternative-funding plan complete with a highly attractive compensation structure, generous relocation funding, and a \$100,000 return of service incentive for full time equivalent positions.

Physicians at WRH have the opportunity to educate and mentor residents from the Schulich School of Medicine and Dentistry, with professional staff members eligible to hold a University appointment.

The Windsor-Essex area is a culturally diverse community rich with extensive parkland combined with a southwest location that extends warm weather activities such as golfing, gardening, biking, hiking, and water sports. Windsor offers the unique features of a larger metropolitan area complemented by the benefits of a smaller community. Living directly across the border from Detroit, Michigan places you on a cosmopolitan stage where arts, culture, professional sports, entertainment, fine dining, and an international airport are just moments away. Best of all, you can enjoy access to all of these big-city features while living in the tranquility of a smaller, friendly, lower cost of living community free of traffic gridlock.
