

Adult Psychiatrist - Clinical Research & Hospital-Based Practice

Your Expertise, Our Community – Shape Mental Healthcare at WRH

Windsor Regional Hospital (WRH) is seeking an Adult Psychiatrist with a background in clinical research to join our mental health team in Windsor, Ontario, in a flexible, hospital-based role with locum coverage possibilities. Our Ouellette campus provides acute mental health care to residents of Windsor and Essex County over 16 years of age, featuring 68 psychiatric beds, including an 8-bed Psychiatric Intensive Care Unit (PICU) and two 30-bed units.

This is an exciting opportunity to collaborate with a collegial team of 12 psychiatrists while contributing to clinical excellence, academic teaching, and research innovation.

Flexible Practice Structure

We offer flexibility in how this position is structured to align with your professional interests:

- **Combined Inpatient & Outpatient Care:** A balanced mix of inpatient coverage and outpatient clinical services.
- **Locum Opportunities:** Potential for part-time locum coverage.
- **Focused Clinical & Research Scope:**
 - **Inpatient & Outpatient Services:** Delivering high-quality, complex acute and ambulatory mental health care.
 - **Clinical Research & Scholarly Activity:** Engaging in clinical research initiatives with opportunities for publication in scientific journals.
 - **Consultation Liaison & Emergency Coverage:** Supporting medical units and remote Emergency Department initiatives.
 - **Interdisciplinary Collaboration:** Partnering with family physicians, social workers, occupational/recreational therapists, and dynamic leadership.

Why Choose Psychiatry at WRH?

- Join a cohesive group of experienced psychiatrists in a supportive, reliable, and intellectually stimulating environment.
- Embrace a rich academic environment through our affiliation with the Schulich School of Medicine & Dentistry, with opportunities for teaching, clinical research, and academic advancement
- Drive progress across acute inpatient units, remote emergency initiatives, and expanding outpatient services

What you bring to Our Team:

- Certification by the Royal College of Physicians and Surgeons of Canada.
- Independent Licensure with the College of Physicians and Surgeons of Ontario (CPSO).
- Expertise in Clinical Research with a demonstrated record of academic activity, including publications in scientific journals and a commitment to teaching.
- Strong interpersonal and communication skills, adaptability across hospital-based care models, and a passion for advancing evidence-based psychiatry.

OUR MISSION: PROVIDE QUALITY PERSON-CENTRED HEALTHCARE TO OUR COMMUNITY.
