

Medical Oncologist – Locum Position

Join Our Dynamic Team: Outstanding Care, No Exceptions!

The Department of Oncology at Windsor Regional Hospital along with the Windsor Regional Cancer Program is currently recruiting for a **0.5 FTE Locum Medical Oncologist** to join its collegial, well-established, multidisciplinary team of oncologists, hematologists, nurse practitioners, oncology nurses, and allied health professionals dedicated to delivering top-tier patient care.

Serving a population base of approximately 650,000 across Windsor/Essex, Chatham-Kent, and Sarnia/Lambton within the Erie St. Clair network, our program offers a well-established and comprehensive range of services. This Locum Medical Oncologist position will be for a **one-year term beginning mid-August 2026**.

Why Choose Oncology at WRH?

- Collaborative Environment: Work closely with a well-established group of 12 Medical Oncologists/Hematologists and 6 Radiation Oncologists.
- Excellent Inpatient Support: Utilize our 22-bed In-Patient Oncology Unit, which features dedicated Nurse Practitioner (NP) support for inpatient on-call work.
- Academic & Research Growth: Access rewarding opportunities for teaching, involvement in the Schulich School of Medicine curriculum, clinical research, and adjunct or tenure-track academic advancement.
- Flexible Scheduling & On-Call: Enjoy an excellent work-life balance with customizable scheduling and on-call commitments that can be tailored to your personal availability.
- Unbeatable Location: Enjoy the best of both worlds in Windsor-Essex - a region with a warm climate, extensive parklands, and low living costs, all situated directly across the border from Detroit's big-league sports, arts, and entertainment.

Your Responsibilities Will Include:

- Providing high-quality consultative services and direct patient care within a collaborative, multi-disciplinary team framework.
- Contributing to positive relationship-building across all members of the inter-professional healthcare team.
- Participating in clinical research initiatives and the academic development of medical students and residents.
- Focusing clinical practice on specialized disease sites - with a focus on breast, lung, and head and neck malignancies.

What You Bring to Our Team:

- You **must** hold, or be eligible for, certification in Internal Medicine from the Royal College of Physicians and Surgeons of Canada (or accepted equivalent) with a subspecialty in Medical Oncology.
- You **must** be licensed, or eligible for licensure, to practice medicine with the College of Physicians and Surgeons of Ontario.

OUR MISSION: PROVIDE QUALITY PERSON-CENTRED HEALTHCARE TO OUR COMMUNITY.

- Experience or a strong interest in breast, lung, and head and neck malignancies is **preferred**, though there is built-in flexibility to accommodate your specific areas of interest and clinical expertise.
- You **must** hold Canadian Medical Protective Association (CMPA) coverage in good standing.
- You are an excellent communicator, proficient in English, and dedicated to fostering an inclusive team environment.

If you are ready to advance your career with an award-winning health care facility, please forward your Expression of Interest along with your CV to:

Why Windsor-Essex?

The Windsor-Essex area is ecologically rich with extensive parkland, along with a southwest location that extends warm weather activities such as golfing, gardening, and water sports. Windsor offers the unique opportunities of a larger metropolitan area and the benefits of a smaller community. Located in a vibrant border city, Windsor offers an exceptional quality of life. The region boasts a lower cost of living compared to other major Canadian cities and a short commute time, giving you more time for what matters most - your home and family. The city is rich with cultural attractions, beautiful waterfront parks, and a diverse culinary scene. It's an ideal place to establish a practice and enjoy a balanced lifestyle.

OUR MISSION: PROVIDE QUALITY PERSON-CENTRED HEALTHCARE TO OUR COMMUNITY.
