Why Windsor-Essex?

The Windsor-Essex area is ecologically rich with extensive parkland along with a southwest location that extends warm weather activities such as golfing, gardening, and water sports. Windsor offers the unique opportunities of a larger metropolitan area and the benefits of a smaller community. Living directly across the border from Detroit, Michigan places you on a cosmopolitan stage where arts, culture, big league sports, and entertainment are just moments away. Best of all, you can enjoy access to all of these big-city advantages while living in the relative tranquility (and low costs) of a much smaller, friendlier community.

OUR MISSION: PROVIDE QUALITY PERSON-CENTRED HEALTHCARE TO OUR COMMUNITY.
