Full-Time Thoracic Surgeon

The Division of Thoracic Surgery at Windsor Regional Hospital (WRH) in Windsor is inviting applications for a full time Thoracic Surgeon to join its team!

Return of Service Incentive: a substantial incentive of \$40,000 is available for the successful candidate, contingent upon a minimum commitment period (Return of Service Agreement).

The successful candidate will be provided an opportunity to work alongside a dynamic multidisciplinary team that provides comprehensive care to Windsor and Essex County. WRH also has an affiliation with the Schulich School of Medicine and Dentistry and candidates have an opportunity to participate in surgical education at the undergraduate and postgraduate level.

Applicant Physicians must have licensure with the College of Physicians and Surgeons of Ontario (CPSO) and have, or must be eligible for, certification in Thoracic Surgery from the Royal College of Physicians and Surgeons of Canada.

About Windsor Regional Hospital

Windsor Regional Hospital is a multi-faceted, health services organization operating from two main sites, the Metropolitan Campus and the Ouellette Campus. We are the regional provider of advanced care in areas that include complex trauma, renal dialysis, cardiac care, stroke and neurosurgery, intensive care, acute mental health, family birthing centre, neonatal intensive care, paediatric services, regional cancer services and a broad range of medical and surgical services required to support these specialized areas.

About Windsor-Essex

The Windsor-Essex area is ecologically rich with extensive parkland along with a southwest location that extends warm weather activities such as golfing, gardening, and water sports. Windsor offers the unique opportunities of a larger metropolitan area and the benefits of a smaller community. Living directly across the border from Detroit, Michigan places you on a cosmopolitan stage where arts, culture, big league sports, and entertainment are just moments away. Best of all, you can enjoy access to all of these big-city advantages while living in the relative tranquility (and low costs) of a much smaller, friendlier community.
